TELL COLORADO SENATOR CORY GARDNER:
SUPPORT THE "PRO" ACT FOR WORKER POWER!

CALL: 1-888-907-9365

When workers organize, mobilize, and strike together we can build power and win the wages, benefits, and working conditions we need and deserve. But that can be extremely difficult when our current laws keep the balance of power tilted in favor of CEOs and the super-rich.

The problem is, when CEOs and the 1% hold so much power, our economy and laws stay rigged in favor of the wealthy. They get richer while our wages stay stagnant and our working conditions get worse. We need big change.

THE PROTECTING THE RIGHT TO ORGANIZE (PRO) ACT (H.R. 2474/S.1306)

is historic legislation that will put power in the hands of workers and reverse decades of legislation meant to crush unions. The bill will completely change labor law as we know it and shift power away from CEOs to workers.

THE PRO ACT WILL:

- **Expanding power to organize workers**: The bill will establish compensatory damages for workers and penalties against employers when they fire or retaliate against workers for forming a union, and prevent the misclassification of workers as independent workers or supervisors.
- **Protect strikes and other protest activity**: The bill will make it illegal for employers to permanently replace striking workers and make secondary strikes and boycotts legal.
- **Making it easier to bargain**: The bill will eliminate obstacles for workers to get their first contract and deals a blow to “right-to-work” laws.
- **And much more!**
THE PRO ACT
IS ON THE VERGE OF A HISTORIC VOTE!

DAY OF ACTION FEB 4TH

CALL CONGRESS TODAY:

TELL THE PERSON WHO ANSWERS THE PHONE:
"I’m calling to ask my representative to vote yes on the PRO Act (H.R. 2474/S.1306) to grow and protect worker power."

Our members of Congress will vote on Protecting the Right to Organize (PRO) Act (H.R. 2474 /S.1306) in the coming days! CWA members pushed to make this vote happen. Corporate lobbyists are working hard to stop this bill from passing because they know it would take power from their hands and give it to union members and all workers!

THE PRO ACT IS A BIPARTISAN BILL THAT WILL:
• Help strengthen protections for workers forming a union
• Protect strikes and other protest activities
• Eliminate obstacles for workers to get a first contract
